Go for the Discount, Stay for the Zen: Miami Spa Week Now Taking Reservations

Posted By Ebony Montenegro on March 18th, 2010

The spa gods have smiled upon us with Miami Spa Week and it is our duty to answer. We know those arduous hours on the job can't be good for your health, that is why the creative genius behind Spa Week Media Group, LTD. created the blissful Spa Week. After the long wait, it is time to schedule those discounted spa treatments once again. For the minuscule price of \$50, luxe spas around Miami will be offering an assortment of treatments from which to choose. We did the research for you and found the participating spas worth checking out. Spa Week runs April 12 to 18, but reservations are being taken as we speak.

Dr. Jhonny Salomon Plastic Surgery & Med Spa

It is all in the treatment and at Dr. Jhonny Salomon science and art come together to leave you feeling newer than when you were first born.
