Green Objectives for 2009
Natural vs. Organic
Coping with the Economy

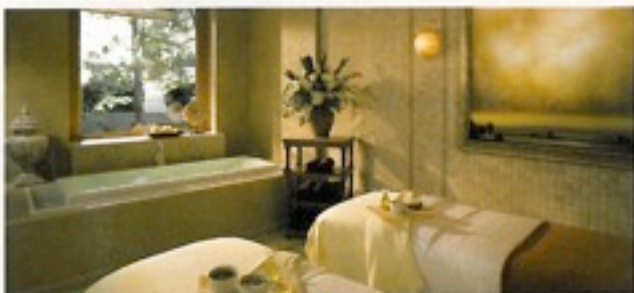

Combining options such as facial fillers, laser treatments, noninvasive body services and plastic surgery, the **Dr. Jhonny Salomon Plastic Surgery and Med Spa** has opened in Miami. Led by its namesake, the medical spa provides an array of cutting-edge rejuvenation options at its picturesque facility. 305-270-1361

OPENINGS, MOVES & GROWTH

Elizabeth Arden Red Door Spas has opened a signature location in Washington, D.C.'s historic Willard InterContinental hotel. Housing four treatment rooms, a steam room and more, the distinct spa features a menu that includes three exclusive packages—Secret Services, Presidential Signature, and Inaugural Indulgence—that help clients to get a renewing feel of the U.S. capital. 202-942-2700

Enhanced online community involvement, feedback tools, exclusive offers and geo-targeted search results are new features at **Spa-Addicts.com**. The relaunch helps connect spa lovers with facilities and suppliers, gives a new focus to wellness and health, and includes celebrity interviews, member reviews and more. 866-428-2772

Twenty-two airy treatment rooms, locally grown ingredients and therapies from around the world can be taken advantage of at **The Spa at The Resort at Pelican Hill**, a new getaway in Newport Coast, CA. The spa also offers seasonal organic scrubs, medical treatment options and nature-infused offerings to help refresh clients. 949-467-6800

The company's signature botanical and olive oil-infused body care are at the heart of **Simply Organic Beauty's** first free-standing concept salon and retail boutique in Greenville, SC. The facility offers hair services, massage treatments and a range of its product offerings, helping clients to renew and beautify themselves naturally. 866-512-4247

Featuring treatments inspired by the ancient caravan route Silk Road that wound through Southeast Asia, India, Northern Africa and Japan, the **Spa at Setai San Diego** has opened its doors. A unique Moroccan Rasul can be experienced there, along with other restorative spa offerings. 619-515-3000

Moving to the scenic mountains of Montana, **Durocher Enterprises** has re-established itself at a new location. The company's address is 3805 Tamarack Ave., Whitefish, MT. 59937. 877-596-0243

Spa Fairmont has debuted at the Fairmont St. Andrews in Scotland. With signature offerings and 12 treatment rooms, the facility promises an authentic Scottish experience that includes options for the face and body, such as the detoxifying Celtic Harmony and clarifying Standing Stones Renewal. 800-441-1414

SPA E, which recently opened the doors of its second location in Emmaus, PA, has begun featuring **Repêchage's** Facial Bar Concept, where fast-paced, targeted facial services are performed in the spa's main floor area. The unique treatment style, which is becoming more popular, helps make facials a social affair. 610-967-5980
